

# Sysdome Broker Score® | Proprietary Scoring Logic for Mortgage Brokers

What you don't know can hurt you.

Most mortgage fraud involves an insider. The industry is demanding the creation of better standards among originators.

Sysdome, the leading outsource provider of Third Party Review services, currently protects America's largest lenders with a detailed and informative review of Brokerages.

You can protect your Brokerage with the same powerful tools.

Our proprietary scoring logic includes:

- Current licensing status
- Derogatory state licensing information
- National Fraud Protection Database (NFPD) search
- OFAC compliance with the U.S. Patriot Act, Sec. 23
- Extensive Fraud and Predatory Lending Research
- Lender/Industry Sanctions search
- SafeCheck™ SSN Verification for principals
- Bankruptcy search
- Industry and client watch lists (Freddie Mac, HUD LDP)

Demonstrate your commitment to advancing your business through superior quality control, sustainable competitive advantage and the prevention of fraud in the mortgage industry. Join Sysdome Broker Score.
